Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: The closest prior art known to the Examiner is listed on the PTO 892 forms of record. With respect to claims 1 and 13, the cited prior art does not anticipate or make obvious, *inter alia*, etching layer structure in third region and either removing second patterned layer and etching layer structure in second region or removing first patterned layer and etching layer structure in first region. With respect to claims 13, the cited prior art does not anticipate or make obvious, *inter alia*, removing means, configured either to remove first patterned layer and to leave at least part of second patterned layer or to remove second patterned layer and to leave at least part of first patterned layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
